GLOMAC BERHAD
NOTES TO THE UNAUDITED INTERIM REPORT FOR THE FINANCIAL PERIOD ENDED
31 JULY 2017

A. EXPLANATORY NOTES

A1. Accounting Policies and Methods of Computation

The interim financial statements are prepared in compliance with FRS 134 "Interim Financial Reporting" and Paragraph 9.22 of the Listing Requirements of Bursa Malaysia Securities Berhad.

The interim financial statements should be read in conjunction with the Group's annual financial statements for the year ended 30 April 2017.

These explanatory notes attached to the interim financial statements provide an explanation of events and transactions that are significant to the understanding of the changes in the financial position and performance of the Group since the financial year ended 30 April 2017.

The accounting policies and methods of computation adopted for the interim financial statements are consistent with those adopted in the financial statements for the year ended 30 April 2017, except for the adoption of new FRSs, Interpretation and Amendments to FRSs effective for annual financial periods beginning on or after 1 May 2017 as listed below:

Amendments to FRS 101 Disclosure Initiative
Amendments to FRSs contained in the document entitled Annual Improvements to FRSs 2014 - 2016 Cycle

The adoption of the above revised FRSs, amendments to FRSs and interpretations does not have any material impact on the financial statements of the Group.

Adoption of the Malaysian Financial Reporting Standards

On 19 November 2011, the MASB issued a new MASB approved accounting framework, the Malaysian Financial Reporting Standards Framework ("MFRS Framework"), a fully-IFRS compliant framework. Entities other than private entities should apply the MFRS Framework for annual periods beginning on or after 1 January 2013, with the exception of Transitioning Entities.

Transitioning Entities, being entities within the scope of MFRS 141 *Agriculture* and/or IC Interpretation 15: *Agreements for the Construction of Real Estate*, including its parents, significant investors and venturers were allowed to defer the adoption of the MFRS Framework until such time as mandated by the MASB. On 2 September 2015, with the issuance of MFRS 15 *Revenue from Contracts with Customers* and Amendments to MFRS 116 and MFRS 141 *Agriculture: Bearer Plants*, the MASB announced that Transitioning Entities which have chosen to continue with the FRS Framework are now required to adopt the MFRS Framework latest by 1 January 2017.

On 8 September 2015, the MASB confirmed that the effective date of MFRS 15 will be deferred to annual periods beginning on or after 1 January 2018. However, early application of MFRS 15 is still permitted.

The Group falls within the scope definition of Transitioning Entities and has availed itself of this transitional arrangement and will continue to apply FRSs in the preparation of its financial statements. Accordingly, the Group will be required to apply MFRS 1 *First-time Adoption of Malaysian Financial Reporting Standards* in its financial statements for the financial year ending 30 April 2019, being the first set of financial statements prepared in accordance with the new MFRS Framework.

The Group is currently assessing the impact of adoption of MFRS 1, including identification of the differences in existing accounting policies as compared to the new MFRSs and the use of optional exemptions as provided for in MFRS 1. At the date of authorisation for issue of these financial statements, accounting policy decisions or elections have not been finalised. Thus, the impact of adopting the new MFRS Framework on the Group's first set of financial statements prepared in accordance with the MFRS Framework cannot be determined and estimated reliably until the process is complete.
