| Revenue                | 22,107                         | 18,148                           | 3,959  | 21.8% |
| Profit before Taxation | 4,528                          | 3,614                            | 914    | 25.3% |

The Group revenue for the current quarter was RM 22.11 million, a increase of RM 3.96 million as compared to RM 18.15 million generated during the preceding quarter. Revenue from the manufacturing segment increased by RM 4.00 million or 23.7% due to increased orders from dealers to replenish their inventory levels. Revenue from the trading segment increased by RM0.04 million or 5.6% with an increase in trading sales. Revenue from the coating segment decreased by RM 0.07 million or 11.6%.

The Group's reported profit before tax of RM 4.53 million for the current quarter is approximately RM 0.91 million higher as compared to profit before tax of the preceding quarter of RM 3.61 million. The increase in PBT is mainly due to increased in revenue during this period.

#### **B3.** Prospects for the Current Financial Year

After a year into Covid-19 pandemic, the global economy is recovering unevenly across different countries and industries. Despite these uncertainties and the recent global resurgence of the Pandemic, the Group's order book remains at a promising level.

The Group leveraged on a well-diversified customer base grounded in various geographical regions and end-user markets to remain resilient during this pandemic. Amidst these challenges, the Group will continue to enhance the efficiency of its production processes and improve the competitiveness of our products. At the same time, the group will be cautious on capital expenditure where investments in machines will be phased according to prevailing market sentiments and our capacity utilization rates.

The Group remains cautiously optimistic that it will weather the storm and maintain profitability.

#### **B4. Profit Forecast**

The Group has not issued any profit forecast in any form of public documentation and announcement.
