At least half of the board comprises independent directors. For Large Companies, the board comprises a majority independent directors.

Application	:	Departure
Explanation on application of the practice	:	Not Applicable
Explanation for departure	:	The Board currently has seven (7) Directors, comprising three (3) Independent Non-Executive Directors, two (2) Non-Independent Non-Executive Directors (inclusive of a Non-Independent Non-Executive Chairman) and two (2) Executive Directors. The Board composition is balanced and complies with Paragraph 15.02 of the MMLR, which states that at least two (2) or one-third (1/3) of the Board, whichever is higher, are Independent Directors. In view of the need to ensure independent and objective judgements in the Board deliberations, all Independent Directors have fulfilled the criteria of independence as defined in the MMLR. Their presence provides a check and balance in the discharge of the Board function and the Independent Directors' views carry significant weight in all Board deliberations and decision-making. All Independent Directors act independently of the Management and do not participate in any business dealings and are not involved in any other relationship with the Group that may impair their independency. Annual assessment on the independence of the Independent Directors is conducted annually based on the criteria of independence in the MMLR and other criteria, in particular their abilities to exercise their objective and independent judgement to act in the best interests of the Company. Practice 5.3

The tenure of an independent director does not exceed a cumulative term limit of nine years. Upon completion of the nine years, an independent director may continue to serve on the board as a non-independent director.

If the board intends to retain an independent director beyond nine years, it should provide justification and seek annual shareholders' approval through a two-tier voting process.

Application	:	Departure
Explanation on application of the practice	:	Not Applicable
Explanation for departure	:	The Board noted that the tenure of an Independent Director should not exceed a cumulative term limit of nine (9) years under the MCGG. However, the NC and the Board are of the opinion that the ability of long serving Independent Directors to remain independent and to discharge their duties with integrity and competency should not be measured solely by the tenure of their services. The tenure of their services should not affect their independence as they are independent-minded with strong personality and they will continue to provide the necessary checks and balances in the best interest of the Company based on their long experience and expertise. The Board acknowledges that the Independent Directors have been continuously contributing objective and independent judgements during Board deliberations, providing good and constructive feedbacks and with their good participation and sound knowledge in the conduct of Board and Committee Meetings are the added merits. The Board has been very pleased with the contributions and performance of the Independent Directors because they possess the skill sets, calibre, special knowledge and expertise in their respective areas of speciality and in the industry. Their expertise and experience are needed for the time being to see the Company through various challenges ahead. Hence, the Board wishes to seek indulgence from the authorities and to obtain their leniency for the Company fully comply with the 2 tier-voting process within the next one (1) year as this would be the proposed action plan for the Company to be given a duration to source for suitably qualified, credible and calibre candidates to assume the positions of the existing Independent Directors. The NC together with the Board are still in the midst of pursuing and identifying suitable candidates for Independent Directorships on the Board but such candidates do not come by easily.

	The Independent Directors have each provided an undertaking to Bursa Securities since their appointment confirming and declaring that they are “Independent Directors” as defined under Paragraph 1.01 of the MMLR. Annual assessment on the independence of the Independent Directors is conducted annually based on the criteria of independence in the MMLR and both of them are independent from the Company’s management and free from any business or other relationship which could interfere with the exercise of independent judgement or the ability to act in the best interest of the Company and hence they are qualified to remain as Independent Non-Executive Directors of the Company. For the financial year ended 31 December 2021, each of the Independent Non-Executive Directors have provided their annual confirmations based on the criteria of independence in the MMLR to the Company. The NC and the Board have duly assessed and resolved that Encik Halim Bin Haji Din and Tan Sri Professor Lin See Yan, who have served on the Board for more than nine (9) years, to remain as Independent Directors based on the following justifications as well as contributions from Encik Halim Bin Haji Din and Tan Sri Professor Lin See Yan, as members of the Board and also members of the respective Board Committees:- (a) they have fulfilled the criteria of independence as per the definition set out under Chapter 1 of the MMLR; (b) they have the required skill sets, experience and expertise; (c) they understand the Company’s industry well and are able to contribute to the effective over-sight of the Company’s business activities while monitoring their independence; (d) they have performed their duties diligently and provided independent judgements and balanced assessments hence ensured effective check and balance in the proceedings of the Board and the respective Board Committees; and (e) they have devoted sufficient time and attention to the duties and responsibilities as Independent Non-Executive Directors of the Company. Hence, the Board will table the Ordinary Resolutions to the shareholders at the forthcoming Twenty-Second Annual General Meeting (“22nd AGM”) to retain the aforesaid Independent Directors without going through the 2 tier-voting process.

Practice 5.4 - Step Up

The board has a policy which limits the tenure of its independent directors to nine years without further extension.

Note: To qualify for adoption of this Step Up practice, a listed issuer must have a formal policy which limits the tenure of an independent director to nine years without further extension i.e. shareholders' approval to retain the director as an independent director beyond nine years.

Application	:	Not Adopted
Explanation on adoption of the practice	:	Not Applicable

Intended Outcome

Board decisions are made objectively in the best interests of the company taking into account diverse perspectives and insights.

Practice 5.5

Appointment of board and senior management are based on objective criteria, merit and with due regard for diversity in skills, experience, age, cultural background and gender.

Directors appointed should be able to devote the required time to serve the board effectively. The board should consider the existing board positions held by a director, including on boards of non-listed companies. Any appointment that may cast doubt on the integrity and governance of the company should be avoided.

Application	:	Applied
Explanation on application of the practice	:	The Board via the NC recommends the candidates for appointment on the Board and Senior Management based on candidates' merits, skills, knowledge, expertise and experiences, professionalism, integrity and time commitment to ensure that the candidates would be able to contribute to the effectiveness of the Board and in the case of candidates for the position of Independent Non-Executive Director, to evaluate the candidates' ability to discharge such responsibilities/functions as expected from the Independent Non-Executive Directors. The Board has established a formal Diversity Policy on 27 November 2018 on gender diversity, ethnicity and age whereby the Board believes in recognising and retaining high performance and talented staff force and the recruitment of the best talents in the work place regardless of gender, ethnicity and age with the objective of maximising the performance, efficiencies and effectiveness of the work place. NC evaluates suitable candidates for the appointment of board and senior management. However, the process should be exercised with due care and careful assessment has to be made based on merits, skills, knowledge and appropriate experience. The above process is also applicable in the selection and evaluation of suitable candidate for gender, ethnicity and age diversity on the Board and senior management. The Diversity Policy is available on the Company's website at www.wahseong.com. The Board has devoted sufficient time in carrying out their duties and responsibilities. The schedule of meetings for the calendar year comprising Board meetings and other Committee meetings is prepared by the Group Company Secretary and sent to members of the Board three months prior to the commencement of the calendar year to notify the Board on the meetings scheduled ahead, to enable the Board to plan ahead and fit the year's meetings into their own schedules.

Practice 5.6

In identifying candidates for appointment of directors, the board does not solely rely on recommendations from existing board members, management or major shareholders. The board utilises independent sources to identify suitably qualified candidates.

If the selection of candidates was based on recommendations made by existing directors, management or major shareholders, the Nominating Committee should explain why these source(s) suffice and other sources were not used.

Application	:	Departure
Explanation on application of the practice	:	Not Applicable
Explanation for departure	:	NC undertakes an annual review to assess and considered the needs, amongst others, the size and competency of the Board, mix of skills and expertise, diversity and the balance between executive, non-executive and independent directors. The Board together with the senior management continuously search for appropriate candidates to fulfil such position from various sources, including independent sources if relevant. The NC would assess their suitability based on a prescribed set of criteria as set out in the TOR of the NC and any other additional criteria as may be identified by the NC from time to time. Potential candidates are required to declare and confirm in writing, amongst others, his/her current directorships, that he/she is not an undischarged bankrupt and an active politician, or is involved in any court proceedings in connection with the promotion, formation or management of a corporation or involving fraud or dishonesty punishable on conviction with imprisonment or is subject to any investigation by any regulatory authorities under any legislation. Further, potential candidates being considered for the position of Independent Directors are required to declare and confirm their independence based on the criteria set out in the MMLR. The Board and senior management of the Company would have a better understanding of the board candidatures, taking into account factors, amongst others, qualification, skills, experience and personal attributes of the new directors for the industry in which it operates in and is subjected to fit and proper licensing requirements by the relevant regulators.

	The Board does not utilise independent sources to identify suitably qualified candidates as the management understands the specialised industry it operates in. Through its own network and bearing in mind the highly regulated industry in which the Company operates in, the Management would be in the best position to identify for potential candidates with background which fits the criteria requirements. The NC of the Company is responsible to ensure that the procedures for appointing new Directors are transparent and rigorous. NC is guided by its TOR in carrying out its responsibilities in respect of the nomination, selection and appointment process in the Company.

The board should also provide a statement as to whether it supports the appointment or reappointment of the candidate and the reasons why.

Application	:	Applied	
Explanation on application of the practice	:	The NC conducted an annual assessment of the Board’s effectiveness as a whole and the contribution of each individual Director in respect of the financial year ended 31 December 2021 using a set of customised self-assessment questionnaires to be completed by the Directors. All members of the Audit Committee should undertake continuous professional development to keep themselves abreast of relevant developments in accounting and auditing standards, practices and rules.

Application	:	Applied
Explanation on application of the practice	:	The NC reviews the term of office and performance of the AC and each of its members annually and concurrently with the annual Board assessments pursuant to Paragraph 15.20 of the MMLR. Practice 10.2

The board should disclose the features of its risk management and internal control framework, and the adequacy and effectiveness of this framework.

Application	:	Applied	
Explanation on application of the practice	:	The Board recognises the importance of sound risk management and internal control practices for good corporate governance. The Board affirms its responsibility for ensuring the Group’s system is able to adequately and effectively manage significant risks. The Group has in place an ongoing process for identifying, evaluating and managing significant risks through a framework which includes a reporting structure. This is supported through a RMC that meets regularly, receiving risk management updates and taking necessary actions to ensure that risks are managed within the acceptance levels of the company within which they reside. The Group’s system of internal control is designed to manage and mitigate risks appropriately, rather than eliminate the risk of failure to achieve business objective.
