2.6 Rationale for and Benefits of the RRPT

The Proposed Renewal of RRPT Mandate will benefit Leon Fuat Group by facilitating the Group to enter into transactions described in Section 2.5 with the Related Parties specified in Section 2.4 in the ordinary course of the Group's business on normal commercial terms and in a timely manner. The Proposed Renewal of RRPT Mandate will also eliminate the need for the Company to announce and/or convene separate general meetings to seek shareholders' approval prior to entering into such transactions with the specified Related Parties. This would thereby reduce substantial administrative time, inconvenience and expenses associated with the convening of such meetings without compromising the corporate objectives of the Group or adversely affecting the business opportunities available to the Leon Fuat Group.

The RRPT as outlined in Section 2.5 are of a revenue or trading nature in the ordinary course of business of the Leon Fuat Group which are transacted from time to time with the Related Parties at market prices or lower but within arm's length basis. The normal commercial terms of the RRPT are not more favourable to the Related Parties than those generally available to the public, not prejudicial to the interest of the shareholders and are not detrimental to the minority shareholders of Leon Fuat.

The Related Parties have long established relationship with Leon Fuat Group and have good credit standing. The Group and the Related Parties have close cooperation and good understanding of each other's business needs which would benefit all parties.

Sales to SFH and UCE help the Group to tap into new business segments, geographical segment and customers in which the Related Parties operate.

Purchases from SFH are with regard to steel products not normally carried by Leon Fuat Group and/or in respect of temporary replenishment of shortages of steel products urgently required by Leon Fuat Group's customers.

Corrosion protection services are provided by UCE to Leon Fuat Group and/or its customers and are necessary to facilitate the ordinary course of business of the Group. Though the value of RRPT with UCE may be immaterial, the price and terms offered by UCE are fair and reasonable, and comparable to those offered by other unrelated third parties for the same or substantially similar type of products/services. In the absence of other contemporaneous transactions with unrelated third parties for similar services for comparison, the Group has considered and was satisfied that profit margin would be accepted, in accordance with the Group's usual business practices and policies, consistent with the usual margin of the Group for the same or substantially similar type of transactions made by the Group with unrelated third parties or otherwise in accordance with other applicable industry norm/considerations, as the case may be, and is in accordance with the established guidelines and review procedures for RRPT.

Currently, LF Hardware is renting the following premises from the following related companies:

- 1) from FLSAT a single storey open-sided shed warehouse as open yard/store erected on a five (5) contiguous parcels of industrial land located within Kawasan Perusahaan Chan Sow Lin, Kuala Lumpur, with total land area of approximately 35,000 sq. ft., for a monthly rental of RM25,000 or RM300,000 per annum. Based on the valuation report dated 2 March 2018 and the update rental valuation letter dated 20 January 2021 from the independent valuer, Raine & Horne International Zaki + Partners Sdn Bhd, the market rent of this property is RM30,000 per month; and
- 2) from LF Holdings a single storey detached factory with an annexed four (4) storey office building with a basement car park and ancillary buildings located within Kawasan Perusahaan Chan Sow Lin, Kuala Lumpur, with total build-up area of approximately 86,000 sq. ft., for a monthly rental of RM115,000 or RM1,380,000 per annum. The title land area of this property is approximately 74,000 sq. ft.. Based on the valuation report dated 2 March 2018 and the update rental valuation letter dated 20 January 2021 from the independent valuer, Raine & Horne International Zaki + Partners Sdn Bhd, the market rent of this property is RM120,000 per month.

The tenancy between LF Metal and LF Holdings is in respect of the renting by LF Metal of four (4) units of condominiums measuring approximately 1,100 sq. ft. per unit from LF Holdings as workers' hostel. These condominiums are located near to LF Metal's factories at Kawasan Perindustrian Bukit Raja Selatan, Shah Alam, Selangor. Based on the current market asking rental rate for unfurnished and partly furnished units of condominiums in the vicinity of between RM0.78 per sq. ft. to RM1.30 per sq. ft., the rental of RM850 per month (approximately RM0.77 per sq. ft.) for each unit has been agreed between the parties.

2.7 Guidelines and Review Procedures

The Group implements the following guidelines and procedures to ensure that the RRPT are undertaken at transaction prices and terms which are generally not more favourable to the Related Parties than those generally available to the public, not detrimental to minority shareholders and are in the best interest of the Group:

(i) Methods for Determination of Transaction Price

- (a) The pricing of the product/service is negotiated between Leon Fuat Group and the Related Parties based on prevailing market prices or in accordance with applicable industry norm/considerations. A database or quotations obtained from third parties are maintained by the Group and such information would provide true and fair evaluations and ranking of the price, delivery, services and other terms and conditions before entering into such transactions.
- (b) Any tender, quotation or contract received from or proposed to be entered into with a Related Party will not be approved unless:
 - at least 2 other contemporaneous transactions with unrelated third parties for similar products/services and/or quantities will be used as comparison, wherever possible, to determine whether the price and terms offered to/by the Related Parties are fair and reasonable and comparable to those offered to/by other unrelated third parties for the same or substantially similar type of products/services and/or quantities;
 - in the event that quotation or comparative pricing from unrelated parties cannot be obtained, the Leon Fuat Group's pricing for the RRPT will be determined in accordance with the Group's usual business practices and policies, consistent with the usual margin of the Group for the same or substantially similar type of transactions made by the Group with unrelated third parties or otherwise in accordance with other applicable industry norm/considerations; and
 - the terms are not more favourable to the Related Parties than those extended to unrelated third parties and available to the public and the RRPT are not detrimental to the minority shareholders of Leon Fuat.

(ii) Approving Authority Limit in relation to RRPT

The Group has in place internal authority limit governing all business transactions including RRPT. Such internal authority limit would include approval thresholds, which vary depending on, inter-alia, the type of transactions. Essentially, all transactions shall be reviewed and approved by our Executive Directors, Key Management Personnel and/or appropriate approving levels in accordance with our Group's internal authority limit. In addition, the Board has empowered the Audit Committee with the following limit of authority to approve sales and purchases transacted with Related Parties:

Nature of RRPT	Approval Authority Limit (per transaction)
Sales	RM300,000.00
Purchases	RM200,000.00

(iii) Monitoring of RRPT

- (a) A list of Related Parties will be circulated within the Group to notify that all RRPT are required to be undertaken on arm's length basis and on normal commercial terms which are not more favourable to the Related Parties than those generally available to the public and not detrimental to the minority shareholders.
- (b) All Department Heads are required to report all transactions involving Related Parties.
- (c) The Group shall keep a record of all RRPT which are entered into with Related Parties and will be available to the Audit Committee for inspection, as and when required.
- (d) All RRPT shall be tabled to the Audit Committee for review on quarterly basis. Any member of the Audit Committee may as he deems fit, request for additional information pertaining to the transactions under review from independent sources or advisers, including obtaining valuations from independent professional valuers.
- (e) The internal audit functions will conduct periodic reviews of any or all of the RRPT to ascertain that the relevant approvals have been obtained and the guidelines and review procedures in respect of such RRPT are adhered to. Any divergence is reported to the Audit Committee.
- (f) The Audit Committee will review the internal audit reports on quarterly basis to ensure that the guidelines and review procedures established to monitor the RRPT are complied with.
- (g) Should the Audit Committee during its review determine that the guidelines and/or procedures are inadequate or have become inappropriate or certain RRPT are not being conducted on arm's length basis or normal commercial terms and are detrimental to the interests of the minority shareholders, the Audit Committee has the discretion to request for limits to be imposed or for additional procedures to be followed if it considers such a request to be appropriate. In that event, such limits or procedures may be implemented without the approval of shareholders, provided that they are more stringent than the existing limits or procedures.
- (h) The Board of Leon Fuat and the Audit Committee have reviewed the procedures and shall continue to review the procedures as and when necessary. If a member of the Board of Leon Fuat or the Audit Committee has interest, whether direct or indirect, in a transaction to be reviewed by the Board of Leon Fuat or the Audit Committee, he/she will abstain from all deliberations and voting on such transaction at the Audit Committee or Board meetings, as the case may be.

2.8 Amount Due and Owing by Related Parties

As at 31 March 2023, the amount due and owing to Leon Fuat Group by the Related Party under the transactions which has exceeded the credit term is as follows:

Related Party	For a period of 1 year or less	For a period of more than 1 but less than 3 years	For a period of more than 3 but less than 5 years	For a period of more than 5 years
SFH	RM105,589	Nil	Nil	Nil

There were no interest or late payment charges imposed by Leon Fuat Group on the said amount due by the Related Party as the transactions were trade in nature and payment was in line with the Group's normal business practices.

The Group monitors and reviews the outstanding amount due by the Related Parties on a regular basis to ensure its recoverability.

3. STATEMENT BY THE AUDIT COMMITTEE

The Audit Committee has considered the guidelines and review procedures mentioned in Section 2.7 above and is of the view that:

- (a) the said procedures are sufficient to ensure that the RRPT are conducted at arm's length and on normal commercial terms which are not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders;
- (b) Leon Fuat Group has in place adequate procedures and processes to monitor, track and identify RRPT in a timely and orderly manner; and
- (c) the Audit Committee will review these procedures and processes on quarterly basis or whenever the need arises with the authority to sub-delegate such function to individuals or committees within the Leon Fuat Group as it deems appropriate,

and the same has been reviewed and approved by the Board of Directors of Leon Fuat.
