The proposed Ordinary Resolution 6, if passed, will renew the general mandate given to the Directors to allot shares, grant rights to subscribe for shares, convert any security into shares in the Company or to allot shares under an agreement or option or offer at their discretion from time to time without needing to convene another general meeting first, provided that the aggregate shares to be allotted, to be subscribed under any right granted, to be issued from conversion of any security or to be allotted under an agreement or option or offer pursuant to this resolution does not exceed 10% of the total number of issued shares (excluding treasury shares) of the Company for the time being. The general mandate sought at the Twelfth AGM will enable the Directors to respond expediently to business opportunities or other circumstances involving issuance and allotment of new shares, grant of rights to subscribe for shares, conversion of any security into shares, or allotment of shares under an agreement or option or offer, and to avoid delay and cost in convening general meetings to approve the same.
