## 14. Review of performance of operating segments for the current quarter and financial period ended 31 March 2023

#### **Energy Solutions Services Segment**

The Energy Solutions Services Segment's external revenue for the first quarter and financial period ended 31 March 2023 were RM372.7 million, compared with RM266.4 million in the corresponding periods in 2022. The segment registered a profit before tax of RM28.0 million, compared with RM3.0 million in the corresponding period in 2022.

On the back of a strong order book, project executions have increased (and directly contributing) to a higher revenue in the current quarter, with a corresponding increase in profit before tax.

#### Renewable Energy Segment

The Renewable Energy Segment's external revenue for the first quarter and financial period ended 31 March 2023 were RM109.7 million, compared with RM90.0 million in the corresponding period in 2022. The profit before tax were RM11.6 million, as against RM9.1 million in the corresponding period in 2022.

Higher revenue and profit before taxation of the Renewable Energy Segment were mainly due to higher number of projects executed by the Industrial Engineering unit, and better profit margin from after-sales services recognised by the Agro-based Industrial unit.

#### Industrial Trading & Services Segment

The Industrial Trading & Services Segment's external revenue for the first quarter and financial period ended 31 March 2023 were RM113.2 million, compared with RM81.3 million in the corresponding period in 2022. The segment recorded a profit before tax of RM10.2 million, compared with RM4.3 million in the corresponding period in 2022.

Higher revenue and profit before tax compared with the last corresponding quarter in 2022 was due to higher sales volume in building materials and recognition of the gain on disposal of asset held for sales.

Stock name : WASEONG Financial Period Ended : 31 March 2023

Quarter : 1

# 15. Material changes in the profit before taxation for the current quarter as compared with the immediate preceding quarter

The Group recorded a profit before taxation of RM50.0 million in the current quarter, compared with loss before tax of RM40.6 million in the previous quarter. The increase in operational profit was contributed by an increase in revenue in the current quarter, as the Group continues to execute projects from its existing strong order book.

#### 16. Prospects

The Group's order book has increased to RM3.5 billion comprising, RM3.1 billion in the Energy Solutions Services segment, RM426.0 million in the Renewable Energy segment, and RM54.9 million in the Industrial Trading & Services segment. The strong order book is expected to contribute positive results to the Group in the coming years.
