MRCB-Quill REIT (MQREIT MK) Positive 2Q16

Upgrade to BUY

2Q16 results was a positive surprise whereby the higher net profit margin was lifted by higher revenue, lower opex and lower net financing costs. The 1st interim gross DPU of 4.23sen was also better than expected. We adjust FY16-18 net profit forecasts by +4-6% and raise our DCF-TP by 13sen to MYR1.23 after revising our valuation parameters. Long-term lease agreements provide for resilient earnings while dividend yields at 6.4% net are attractive, these being the premise of our revised BUY call.

Profit margin has improved

2Q16 net profit was MYR15.4m (+12.9% YoY, +1.0% QoQ), bringing 1H16 net profit to MYR30.6m (+39.8% YoY) which accounted for 54%/53% of our/consensus' FY16 estimates. YoY, 2Q16 earnings were lifted by: 1) higher revenue (+1.2%, +MYR0.4m) from step-up rent adjustments at QB2, QB3, QB8, 2) lower operating expenses (-12.7%, -MYR1.0m) namely from Platinum Sentral and Plaza Mont Kiara, and 3) lower financing expenses (-2.6%, -MYR0.4m) attributed to lower total borrowings and higher amount of cash placed in financial institutions. Hence, 2Q16 net profit margin improved to 47.2% from 42.4% in 2Q15. Meanwhile, QoQ earnings were flattish as rental income across its portfolio was stable.

Raising forecasts

We raise FY16/17/18 net profit forecasts by 5.5%/4.2%/4.1% after incorporating lower opex assumptions at Platinum Sentral. We also raise our DCF-based TP by 13sen to MYR1.23 (WACC: 6.6%, terminal yield: 7%) as we roll forward our valuation base year to FY17 and peg our WACC to a lower beta of 0.55x (from 0.60x) which reflects lower risks. MQREIT has successfully renewed 87% of its leases due for renewal in 1H16 and is in advanced talks for the balance of leases up for renewal in 2016. Average occupancy rate remains resilient at 97.2% of NLA at end-Jun 2016.

Earnings to remain resilient

We remain positive on MQREIT's office assets with tenants on long-term leases such as Platinum Sentral (40% of FY16E revenue) and the upcoming Menara Shell which has two anchor tenants on 15-year leases. Menara Shell is estimated to lift our FY17-18 earnings forecasts for MQREIT by ~44% and the acquisition is expected to be completed in 4Q16.

Technical ratings may differ from fundamental ratings as technical valuations apply different methodologies and are purely based on price and volume-related information extracted from the relevant jurisdiction's stock exchange in the equity analysis. Accordingly, investors' returns may be less than the original sum invested. Past performance is not necessarily a guide to future performance. This report is not intended to provide personal investment advice and does not take into account the specific investment objectives, the financial situation and the particular needs of persons who may receive or read this report. Investors should therefore seek financial, legal and other advice regarding the appropriateness of investing in any securities or the investment strategies discussed or recommended in this report.

The information contained herein has been obtained from sources believed to be reliable but such sources have not been independently verified by Maybank Investment Bank Berhad, its subsidiary and affiliates (collectively, "MKE") and consequently no representation is made as to the accuracy or completeness of this report by MKE and it should not be relied upon as such. Accordingly, MKE and its officers, directors, associates, connected parties and/or employees (collectively, "Representatives") shall not be liable for any direct, indirect or consequential losses or damages that may arise from the use or reliance of this report. Any information, opinions or recommendations contained herein are subject to change at any time, without prior notice.

This report may contain forward looking statements which are often but not always identified by the use of words such as "anticipate", "believe", "estimate", "intend", "plan", "expect", "forecast", "predict" and "project" and statements that an event or result "may", "will", "can", "should", "could" or "might" occur or be achieved and other similar expressions. Such forward looking statements are based on assumptions made and information currently available to us and are subject to certain risks and uncertainties that could cause the actual results to differ materially from those expressed in any forward looking statements. Readers are cautioned not to place undue relevance on these forward-looking statements. MKE expressly disclaims any obligation to update or revise any such forward looking statements to reflect new information, events or circumstances after the date of this publication or to reflect the occurrence of unanticipated events.

MKE and its officers, directors and employees, including persons involved in the preparation or issuance of this report, may, to the extent permitted by law, from time to time participate or invest in financing transactions with the issuer(s) of the securities mentioned in this report, perform services for or solicit business from such issuers, and/or have a position or holding, or other material interest, or effect transactions, in such securities or options thereon, or other investments related thereto. In addition, it may make markets in the securities mentioned in the material presented in this report. MKE may, to the extent permitted by law, act upon or use the information presented herein, or the research or analysis on which they are based, before the material is published. One or more directors, officers and/or employees of MKE may be a director of the issuers of the securities mentioned in this report.

This report is prepared for the use of MKE's clients and may not be reproduced, altered in any way, transmitted to, copied or distributed to any other party in whole or in part in any form or manner without the prior express written consent of MKE and MKE and its Representatives accepts no liability whatsoever for the actions of third parties in this respect.

This report is not directed to or intended for distribution to or use by any person or entity who is a citizen or resident of or located in any locality, state, country or other jurisdiction where such distribution, publication, availability or use would be contrary to law or regulation. This report is for distribution only under such circumstances as may be permitted by applicable law. The securities described herein may not be eligible for sale in all jurisdictions or to certain categories of investors. Without prejudice to the foregoing, the reader is to note that additional disclaimers, warnings or qualifications may apply based on geographical location of the person or entity receiving this report.

Thailand

The disclosure of the survey result of the Thai Institute of Directors Association ("IOD") regarding corporate governance is made pursuant to the policy of the Office of the Securities and Exchange Commission. The survey of the IOD is based on the information of a company listed on the Stock Exchange of Thailand and the market for Alternative Investment disclosed to the public and able to be accessed by a general public investor. The result, therefore, is from the perspective of a third party. It is not an evaluation of operation and is not based on inside information. The survey result is as of the date appearing in the Corporate Governance Report of Thai Listed Companies. As a result, the survey may be changed after that date. Maybank Kim Eng Securities (Thailand) Public Company Limited ("MBKET") does not confirm nor certify the accuracy of such survey result.

Except as specifically permitted, no part of this presentation may be reproduced or distributed in any manner without the prior written permission of MBKET. MBKET accepts no liability whatsoever for the actions of third parties in this respect.

Definition of Ratings

Maybank Kim Eng Research uses the following rating system

BUY Return is expected to be above 10% in the next 12 months (excluding dividends)

HOLD Return is expected to be between - 10% to +10% in the next 12 months (excluding dividends)

SELL Return is expected to be below -10% in the next 12 months (excluding dividends)

Applicability of Ratings

The respective analyst maintains a coverage universe of stocks, the list of which may be adjusted according to needs. Investment ratings are only applicable to the stocks which form part of the coverage universe. Reports on companies which are not part of the coverage do not carry investment ratings as we do not actively follow developments in these companies.
